Midlands Fraud Forum

THE MIDLANDS FRAUD FORUM PROMOTES AWARENESS OF FRAUD ISSUES WITH MEMBERS REPRESENTING PUBLIC AND COMMERCIAL SECTORS, LAW ENFORCEMENT AND PROFESSIONALS.

FRAUD OCCURS IN BOTH PRIVATE AND PUBLIC SECTORS AND WILL CONTINUE TO ESCALATE UNTIL WE JOIN FORCES AND COMBAT IT TOGETHER.

The **Midlands Fraud Forum** aims to promote **awareness** of fraud issues and to **educate** stakeholders on effective fraud prevention measures. Fraud is prevalent in both private and public sectors. Without effective cross-working between sectors the fraud problem will escalate uncontrollably. Since our 2015 conference we have hosted masterclasses for our members on the changing landscape of cybercrime, investigative interviewing, investigating financial fraud, how to interview about fraud and held our winter fraud discussion panel. Further relevant masterclasses are planned for 2017. Join the conference to find out more about our plans, and bring your own suggestions!

We are again delighted to be bringing together a panel of high-profile speakers for our 2017 conference. We feel sure that you will want to hear their insights, learn from their experience and discuss with them the key issues currently facing you as an anti-fraud practitioner.

If you are unable to attend the conference, however, there are two other options available:

- **annual membership**, at **£60**, entitling you or a colleague to free attendance at our masterclasses and specialist forums, plus the Midlands Fraud Forum's weekly email digest containing links to fraud news, publications and notification of forthcoming events (to receive a sample copy of this please email info@midlandsfraudforum.co.uk)

- **associate membership**, at **£20**, providing you with the Midlands Fraud Forum's weekly email digest (as above).

Please simply tick the relevant box on the booking form to take up either of these options.

We are also offering a special **corporate rate** for the conference this year, of **£540** for five delegate places and unlimited associate memberships.
